A certain and speedy Cure for Chronic Rheumatism. Spasms of the Muscles Ligaments and Back and for Sprains, bruises, and

Contusions THE history of this I valuable a edicine is remarkable. It has risen into notice, and established a nigh and just reput tion in the region of country where it has been tried, alone from the surprising and numerous cures it has effected. The Proprietor Dr. Samuel Dudley, Hospital Surgeon, on the Island of Portsmouth, worth Carolina, has use it with untaking success, both in the hospital, and in his private practice about twenty years During that period it has been attracting public attention, and gradually rising into g neral and high reputation in all that region of country, solely, by the surprising certainty of the cures it has uniformly effected. Until very recently it has never been advertised, nor have any pains been taken to extend its celeLity. its high reputation therefore is permanent, because it is based upon surprising and unfailing experiments alone. The Proprietor encourage. . . its eminent success in cases of chronic Rheumatism, and by the advice of his triends, and he will add, actuated by a desire to extend as far as now taking measures to make its wonderful prorerties generally known. All he asks is a fair trial. It is now offered to the a icted in the Eastern portion of Sorth Carolina The proprietor is perfectly willing to put success or failure upon its success or failure in curing or failure to cure any case of Chaonie Rheumatism, or other affection for which it is re-

commended The following has been politely furnished by that highly esteemed citizen, Col. Joshua Tayloe, of Beauf county, V. C., well known as a valuable member of our State Senate, and present Collector of the Port of Ocracoke, N. Carelina: "At the request of Dr. Samuel Dudley of Portsmouth.
